**Sub: News from Plant Site**

Dear Sir,

This is to inform you that on April 23rd a large group of people who are not local and were brought by vehicles from far flung areas have started an agitation outside our Therubali unit without any prior notice or demands which led to employees being unable to attend duty. Since subsequent shifts went unmanned, all furnaces have been shut down. The District Administration is apprised of the matter and are trying to sort it out.

This may kindly be taken on record.

Yours faithfully  
For INDIAN METALS & FERRO ALLOYS LIMITED
