NOTES:

- The above unaudited results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 24th October, 2017. The Statutory Auditors of the Company have reviewed the said results.
- The entire operations of the Company relate to three broad operating segments viz. "Ferro Alloys", "Power" and "Mining".
- Revenue from Operations for periods upto 30th June, 2017 is inclusive of excise duty. Post the applicability of Goods and Service Tax (GST) w.e.f 1st July, 2017, Revenue from Operations for the quarter and half year ended 30th September, 2017 is disclosed net of GST, in accordance with 'Ind AS 18 - Revenue' and hence not strictly comparable with previous periods.
- Pursuant to the judgment of the Hon'ble Supreme Court on 13th October, 2017 on a writ petition filed by Federation of Indian Mineral Industries & others, liability towards contribution to the District Mineral Foundation ('DMF') in respect of chrome ore is applicable from 17th September, 2015. Accordingly, the Company has written back an earlier provision made for DMF liability amounting to Rs 16.02 crores, for the period 12th January, 2015 to 16th September, 2015 and included it in 'Revenue from Operations' for the quarter and half year ended 30th September, 2017.
- Special Leave Petitions (SLP) filed by Utkal Coal Limited ('UCL', a Subsidiary of the Company) in respect of compensation for land and mine infrastructure of UCL's coal block Utkal 'C' and change of end use of Utkal 'C' before the Hon'ble Supreme Court, are pending for adjudication. Pending resolution of the said matters, no accounting adjustments have been made by UCL in its books of account and no provision is deemed necessary against the Company's net exposure in UCL as at 30th September, 2017 amounting to Rs 111.42 Crores invested as equity and Rs 263.10 Crores given as unsecured loan.
- In view of the circumstances detailed above and considering the probability of economic benefits associated with the transaction flowing to the Company, as envisaged in paragraph 29 of Ind AS 18 on "Revenue", with effect from 1st October, 2014 the Company has postponed recognition of income from interest on unsecured loan given to UCL. Due to this, profit before tax for the quarter and half year ended 30th September, 2017 is lower by Rs 10.12 crore and Rs 19.84 crore respectively. The interest income would be considered as revenue of the period in which it is properly recognised.
- The Board of Directors of the Company at its meeting held on 28th September, 2017 approved a Scheme of Amalgamation involving amalgamation of (a) Indian Metals and Carbide Limited, a wholly owned subsidiary of the Company and (b) B. Panda and Company Private Limited, the holding company of the Company, into the Company. The scheme is subject to necessary regulatory approvals, will be effective from the appointed date i.e 1st April, 2017 and no effect to the same has been given in the books of accounts as yet.
- Previous year/periods' figures have been rearranged/regrouped, wherever necessary, to make them comparable with those of current period.
