Sub: News from Plant Site

Dear Sir,

A group of agitators have once again disrupted operations at our Therubali plant this morning by preventing workers from entering the premises leading to the shutdown of two furnaces.

We have updated the District Administration about steps taken to fulfil certain demands which were agreed to in a meeting chaired by the District Collector on May 10th following which the previous agitation was called off.

As such, we hope the current situation is resolved soon as it apparently pertains to non-fulfilment of the said demands made earlier.

Thanking you

Yours faithfully,
For INDIAN METALS & FERRO ALLOYS LIMITED
