

INDEPENDENT AUDITOR'S REPORT

To the Members of
IMFA Alloys Finlease Limited

Report on the Financial Statements

We have audited the accompanying (Standalone) financial statements of **IMFA Alloys Finlease Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these (Standalone) financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these (Standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of

the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Profit and its Cash Flow for the year ended on that date.

**"Annexure B" to the Independent Auditor's Report of even date on the Standalone
Financial Statements of IMFA Alloys Finlease Limited**

[Referred to in paragraph 2 (i) under 'Report on other legal and regulatory requirements' in the independent auditors report of even date, to the members of the company on the standalone financial statements for the year ended 31st March 2018]

(Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"))

We have audited the internal financial controls over financial reporting of IMFA Alloys Finlease Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that ;

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statement

Note 1 Significant Accounting Policies

1.1 Basis of preparation of Financial Statements

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles, Accounting Standards notified under Section 133 of the Companies Act, 2013 and the relevant provisions thereof.

1.2 Inventories

The Company has no inventories.

1.3 Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, recognised on the basis of constant

1.4 Interest income on Fixed Deposit is recognised on the time proportion basis taking into account the amount outstanding and the rate applicable. Investment

Investments are classified as either current or non-current based on Management's intention at the time of purchase.

1.5 Property, Plant & Equipment, Depreciation/Amortisation and Impairment

a) Fixed Assets:

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. Cost comprises of the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use.

The Company acquired 30 MVA Furnace and transferred immediately under Finance Lease during FY 2012-13.

b) Depreciation / Amortisation

Depreciation/ Amortisation on fixed assets is provided on Written Down Value Method (WDV), which reflects the management's estimate of the useful lives of the respective fixed assets and the rate derived from such useful lives thereof are greater than or equal to the corresponding rates prescribed in schedule II of the Act. As the Company has transferred 30 MVA Assets under Finance Lease during the FY 2012-13 and lessee is entitled to claim depreciation as per Finance Lease Agreement.

c) Impairment

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognised in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

1.6 Leases

Where the company, as a lessor, leases assets under finance leases such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is based on a constant rate of return on the outstanding net investment

The Company has given assets under Finance Lease for an initial period of 25 years and such amounts are recognised as receivables at an amount equal to the Net Investment in the lease.

1.7 Earning per Share:

Basic EPS is calculated by dividing the net profit or loss for the period, attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.8 Taxes on Income

Tax expense comprises of current tax [net of Minimum Alternate Tax (MAT) credit entitlement] and deferred tax.

a) Current tax is the amount of tax payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961.

b) Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

c) Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. The deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

d) At each balance sheet date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

1.9 Segment Reporting

Based on the risks and returns associated with business operations and in terms of Accounting Standard-17 (Segment Reporting), the Group is predominantly engaged in 'Financial Services' as primary reportable segments.

1.10 Foreign Currency Transaction

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency, as on the date of the transaction. Year end foreign currency monetary items are reported using the year end rate. Exchange differences arising on the settlement or reporting of monetary items, at rates different from those at which they were initially recorded during the year or reported in previous financial statements and / or on conversion of monetary items, are recognised as income or expense in the year in which they arise.

1.11 Provision, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.. Contingent Liabilities are not recognized but are disclosed by way notes to financial statements. Contingent Assets are neither recognized nor disclosed in the financial statements.
