*Dr B Panda, Executive Chairman of IMFA Group graced the occasion of the Inter Unit Volleyball Tournament at Nuasahi Chromite Mines and inaugurated the event. His august presence inspired the participants to make the tournament a huge success.*

## CORPORATE MESSAGE

### Dear Colleagues

In January this year, POSCO of South Korea, one of the largest steel makers of the world, felicitated us as 'Outstanding Supplier for the year 2007'. This is a proud moment for us, as it demonstrates our commitment to quality and cost competitiveness. This also brings upon us responsibility to face upto global competition on a longterm basis consistently; through integration, productivity and economy of scale. Success in the global arena is hard work, and we shall keep on trying our best. Our expansion plans in power and ferro chrome and integration to coal mining are progressing well, and we are trying to expedite these activities with all our resources.

I was fortunate to witness the inter-unit Volley ball tournament at our Nuasahi Mines recently. It was heartening to see the highly competitive matches and the very athletic teams from all our locations. Apart from providing great entertainment, this is giving our employees from different locations and different work cultures a greater sense of belongingness to the organisation.

Yours sincerely,

**(Jayant Misra)**

Director (Corporate)

*A scene from the group drawing competition.*

## INNOVATION & RENOVATION

### Innovation Work

An indigenous electrical circuit for automatic operation of 62.5 KVA DG Set was developed and commissioned successfully at Mahagiri, Sukinda & Kaliapani by Mr. R K Jha, DGM (Electrical). The wiring of complete circuit was done by Mr. Pradeep Kumar Sahoo, Electrician, NCM. The 62.5 KVA DG set starts and stops automatically synchronising with the CESU power supply. The circuit with its simple mechanism is easy to maintain, easily rectifiable, cost effective & time saver. It is also suitable for higher capacity of DG Set after changing the conductor ratings as per requirement.

### Installation of Bin with grizzly at -105mRL

A bin with grizzly at -105 mRL and Chute of -125mRL has been installed in the underground. The capacity of bin is about 600 MT. This will enable to make a stock of 600 MT of ROM. This has reduced the frequent hoisting at -125 mRL. In addition to installation of chute, 60 lbs track line has been extended simultaneously up to -127 mRL. This tough task was a result of true teamwork, dedication & relentless effort of Mr. K C Behera & Mr. Santosh Nayak under the guidance of Mr. TK Hota, Asst Manager (Mech) was exemplary.

### Installation of Air-Winch

The ladder way of 2<sup>nd</sup> out-let from -15 mRL to + 15 mRL have been rectified by changing all the old planks and rails resetting the ladder way to one side of the raise in the underground. On the other side of the raise, an Air-winch is installed, which helps to raise or lower heavy materials by doing away with the old manual way. Air-Winch has reduced the risk and also it is convenient to shift the materials from top to bottom & vice versa. Although installation of Air-winch is easier in Vertical Raise, its installation at Incline Raise needs utmost accuracy and skill. The effort of Mr. Manash Kumar Mohanty & Mr. Brundaban Bal is note-worthy in execution of this work faultlessly.

## CHOUWAR NEWS

### INNOVATION & RENOVATION

#### Mechanised pumping system to unload Tanker

Separate pumps have now been installed for unloading the chemicals from tanker to storage tanks in DM plant in place of compressed air. This has helped in faster unloading safely.

#### Boiler Certificate of Competency Examination

Director of Factories & Boilers conducted 1st class and 2nd class Boilers Certificate of Competency written examination at Kalinga Vidyapitha & Kalinga Public School on 14.10.2007 and oral test at IMFA Staff club on 07.12.2007.

### GAJA LAXMI PUJA

Gajalaxmi puja was performed at MM Dept. on 25.10.2007. Employees from various departments attended the Puja and prayed for the prosperity of all.

### BHOOMI PUJA

Mrs. & Mr. Subhrakant Panda, performed Bhumi puja for the 30 MW expansion power project on 12.11.2007 in presence of a huge crowd.

*Mrs Shaifalika Panda & Mr. Subhrakant Panda performing puja*

### FAMILY GET-TOGETHER

Mr. Subhrakant Panda, MD hosted a Get-together for the employees and their family members on 07.12.2007. Mr. Jayant Misra, Director (C) & Mr. C.R. Ray, President (O) also attended the party.

*Mr Subhrakant Panda at CDR during the get-together.*

## DURGA PUJA

Maha Astami & Dashami Puja were also celebrated in CCP (E&I) & Automobile Dept. on 19<sup>th</sup> & 21<sup>st</sup> Oct'07 respectively.

## ANNUAL SPORTS
